Resolution 80-18
Advanced Registration
Introduced: 11/18/80

Status:

Whereas, some departments on campus have advanced registration,
and,

Whereas, people from other departments wish to take courses
in these departments, and

Whereas, most people in their third or fourth year know what
they must take to get out of here, and

Whereas, some departments state you must see an advisor in
that department before you can sign up for a course,
and

Whereas, the course in question has no prerequisites,

Therefore, we do hereby request that any third or fourth year
student be allowed to sign up for any course without
prerequisites on just a visit to the department office,
and no red tape.
